Child Care available! Our church youth group has graciously offered to keep the younger kids safe and happily occupied during the workshop. Your donations will help fund a week-long mission trip to help folks in Kentucky this summer.

Note on teens: Ah, teens– so hard to generalize! Are they children, or adults? If your teen is keen on sheep and wants to learn alongside the adults, bring him or her along. We'll enjoy their youthful enthusiasm and, after all, they are the shepherds of the future!
