

IDEAS FOR CUSTOM FELT-MAKING CLASSES

If you can gather 8 feltmakers (kids or adults), you can easily set up your own class. Just call Caroline at 570-286-5309 or email info@owensfarm.com. The cost ranges from \$10 to \$25 per project depending on the complexity, materials used, etc.

Why set up your own class?

1. The date and time fits your schedule
2. We help you choose a project that matches your group's interest, gender, abilities, and time constraints.
3. We can emphasis a particular aspect of the farm (to match what you are studying, what a child is interested in, etc.)

EXAMPLES OF CUSTOM CLASSES

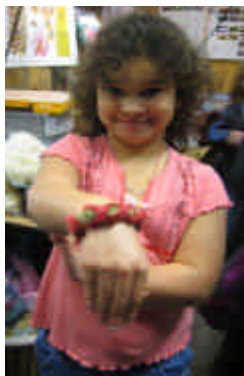

A Really Cool Birthday Party

A little girl in Pelham loved working with wool and wanted to have a UNIQUE party. You've never seen such an industrious group of 9-year olds as they worked on Felt Name Plates for their Bedroom doors.

Brownies and Daisies

Daisy Troops have come here for Try-Its in Art, and Brownies have come to earn Badges in the areas of art and textile. Felted Beads are a favorite project.

Church Youth Groups

A teen group spent a weekend afternoon with us during lambing season, and turned out some awesome wall hangings.

Day Care and Private School Groups

We have had many classes take field trips here, tying in with their classroom studies in life sciences.

4-H Leaders

4-H Leaders are always looking for new skills to pass on to their members, and we have had great fun with these adult and teen learners.

Just Friends

Many, many homeschool groups and casual friends have planned classes for themselves around their own schedule.

Coffee and Feltmaking for Adults

And, yes, sometimes a few moms will leave the kids with Dad and gather for an evening of feltmaking and conversation. Very relaxing!
