

MILK SUPPLY UPDATE, MAY 2006

FLYING STAND-BY AT OWENS FARM

Our current milk supply is pretty well taken up by regular customers picking up on a weekly basis.

However, we do maintain a STAND-BY list. We often have milk available on short notice when a customer takes vacation, when WE take vacation, or when one of the cows has a particularly good day (they are sensitive, emotional creatures). Email us with your name and phone number if you would like to be on this list. As a STAND-BY customer, you will also have first priority should a spot open up on the weekly customer list.

Caroline and David Owens
